Bob,
Please come to the meeting as I need to see you about your ARRL membership.
Thanks,
David

Issue 6

Editor: WB6NBR
Ast. Editors: KB6LO, WA6ACX

Important meeting 6 June 1979. This meeting will be about the upcoming Field Day. This year Field Day will be held on 23,24 June. We will be using the same site as in previous years. For more info attend the meeting. Don't forget to bring your QSL cards for the May contest.

POT_POURRI...Heard a rumor that AG6C has calloused lips from all the 88's she's been sending all over the world...N6AUP said something over 13/73 about looking foreward to sleeping with Hoppy at the Field Day site... WD6AJR has built a new audio filter...Haven't heard what he plans to do with the old one on the front of his face...Maybe it'll turn up at the June 6th club raffle...WD6CWO is recovering from a heart attack in the Sonoma Hospital... WB6UDR was going over the hill on vacation recently...ACX and NBR are wanting to find out how you get back once you're over the hill...Several Santa Rosa and Sonoma hams were involved in a fruitless search of Cavedale and Trinity Roads for a Washington ham who reported over the repeater that he'd

gone off the road and was seriously injured...
To Rose a hearty GOOOOD MOOOOORNING...
The report from the Fresno Hamfest is that we went, we had a good time, we returned...
The hospitality room was well recieved... We have been asked back again next year... Two members won prizes along with one XYL...
AG6C has been spreading a rumor that NBR needs a shot for something... Let me put that rumor to rest and set the record straight...
For what Betty thinks a shot is used for NBR needs a blood transfusion...Think about it..

MINUTES MAY 2, 1979

Meeting called to order by Pres. Don, KB6LO at 8:16 PM.
Introduction of members and guests. 30 members and 10 guests.
Boxes for 2 meter tuner will cost $3.00 the club will get $1.00 of this.
Vern, K6CNJ described the ant tuner.

OLD BUSINESS

Fair boothe needs ops, especially traffic handlers both at the fair and at home. World Radio club package for $52.00 was sent to World Radio. Looking for alternate places for club picnic and auction. Possible club project, Club filter from Dec 78 QST.
Fresno Hamfest hospitality room with beer and pretzels. Ron, WB6NBR moved that the club pay (donate) $20.00 toward the hospitality room. David, WD6AJR seconded, defeated.
Reminder by Don KB6LO that dues are due, also what can club do to make $8.00 worth while.
Need to order badges for new members.
Can use club treasury for public relations, i.e. books, subscriptions, for public library.
Don, W6DZM suggested billing for dues.
Gas crisis- keep eyes open for open stations.
Need volunteer to help set up ARES for the City of Santa Rosa.
Hank W6DTV announced that the western Sonoma County emergency group meets on 146.49 MHZ. Mondays at 7:15 PM
Don KB6LO started contest between now and June meeting. CW novice portion only. Prize for most contacts, certificate and trophy.
Ron and Terry will coordinate Field Day.
Meeting adjourned at 9:09 Pm.

Looks like
ke things are really humming around our club. It seems all facets of amateur radio are getting activity. We have mambers really getting on the low bands for DX, running and working nets, phone patches, construction projects, Teletype and even getting started in Fast Scan TV. If you have a particular interest, why not share it with us? Give a demonstration or tell us what you're doing.

It has been suggested to get some sort of identification for the club when we participate in public fundtions. Several ideas have been presented, including patches with a club emblem. We would like to take a vote on this matter as soon as possible and would like to hear from all mambers. Please be present at our next meeting and be heard.

Another topic up for discussion will be whether you want to combine the picnic and auction together into a Sunday Hamfest or do you want to keep them seperate? Speak now or forever hold your peace. It's your club!!!

Each month, from now on, we will be raffeling a subscription to World Radio Mag. This is a fine publication and if you are present, you might be the lucky winner. If you can't wait and would like your subscription now, we can take your $7.95 and the club gets to keep $1.00. The same applies to QST. Keep that in mind when you renew. See Dave, WD6AJR.

A quick word about the Fair. Work scheds are being prepared now and we need names. Can you spend some time in the exhibit? This is a good chance to see the fair and meet a lot of potential Hams. Any and all Amateurs are invited to participate. Amateur Radio can stand up and be recognized in Sonoma County but it will take a lot of help from all of us to do it. If you can't make the meeting or if you have any questions, contact Don, KB6LO at 546-7047. Do it now before you forget.....
