Now that the New Year has begun, we should all remember the first meeting of the year to be held on Jan. 3rd. in the usual place. This year promises to be a lot of fun, as was last year. So see you all at the Red Cross building on the 3rd at 8pm. POT-POURRI... For those that missed the annual Christmas party, you missed a good time. Everyone did a great job... Judy, Sandy, Sherry, and Mae coordinated every thing... They should be given a well done at the next meeting... Things I've been wondering about... Why couldn't Rose get out fast enough when Johns' water pipe froze... Bettys 1 AM phone calls from we know where... Vern is now driving his new car around looks real sharp... the car that is... Paul has his tower vertical now, wont belong before he gets it cranked up... Terry and Judy are spending the holidays in Idaho...

This months Short Skip will be short due to the Holiday rush. Next issue we will try to expand.

Message from the President.

We hope to make 1979 a most interesting and active year. Many new ideas have been presented and are being planned. We need active participation by all members and especially the knowledge of experience of the Old Timers. Don't miss our first meeting. Bring your friends and lets make it a good year.
